Vibrant eLearning Experience

GOLEARN

Maximize communication of your content with an eLearning experience that is vibrant, interactive and viewable on multiple platforms.

Interactive Content

Rich Multimedia Elements

Admin Tools

Robust Reports

Supports Mobile Devices

Powerful and effective platform for delivering consistent and easily reproducible learning experiences to many participants. Integration with multimedia enhancements such as video and audio.

Time & Money Savings

Online training maximizes communication of vital information, reduces time away from workplace, eliminates idle time for new employees, and eliminates the need for travel.

Powerful Database

Monitor training use through administrative interfaces. Role based access puts powerful admin tools at your fingertips to allow for tracking of user's progress and generate completion reports.
