

WICHITA STATE
UNIVERSITY
TRAINING AND
TECHNOLOGY TEAM (T3)

WSU T3 is an innovative technology unit at Wichita State University. We create dynamic visual deliverables with a focused message customized to your audience, as well as to support & communicate your strategic goal.

2-MINUTE VIDEO SERVICES

Our creative process is rooted in curiosity. We dig deep to find things that inspire and ignite the question of 'what if.' We invite the opportunity to collaborate in an effort to create magical moments that allow us to tell your story in a unique and exciting way.

Examples of Types of Video:

*Demonstration | Promotional | Education | Training |
Special Events | Marketing*
